Dear whom it may concern,

On September 28, 2025, the Koru's Office informed both the Prime Minister's Office and the Ministry of Justice and Enforcement of the removal of a Councillor- a decision that may have been restricted under Section 27.9 of the Constitution of the Hokorian State.

In response, I initiated a preliminary review to determine whether the matter warranted further investigation. Following that review, I have informed the Koru that the Ministry will not be pursuing the matter further and recommended against the removal.

I would like to thank all parties for their cooperation throughout the course of the review, as well as for their eagerness to resolve the conflict amicably, admittedly after some prompting. I am, above all else, reassured by the commitment made to not see this incident repeated.

Kind regards and best wishes,

Plamen Gray Iliev

Minister for Justice and Enforcement
